

THE SINGULAR SPACE  
EXTRAORDINARY PROPERTIES

**Unique architect-designed home  
overlooking San Jerónimo el Real.  
Madrid  
Ref. S77**

Completely refurbished with sensational views.

**4 habitaciones  
3 baños  
255 m<sup>2</sup> de superficie**

The property displays incredible attention to detail, creating a fluid dialogue between heritage and modernity. Exquisite touches abound – in bookshelves, carpentry, flooring, cornicing and appliances – adding to the very special ambiance of this unique home.

A classic example of nineteenth-century Madrid architecture, the building has been completely refurbished with the utmost of care.

The layout has been carefully planned for maximum comfort, convenience and repose.

The accommodation extends to an entrance hall, living room, library, dining room, kitchen, master bedroom with dressing room and en-suite bathroom, two further double bedrooms and one single, all en-suite.

This extraordinary home lies on a direct sightline to the church of San Jerónimo el Real, and offers spectacular views of one of Madrid's most glamorous streets.

An exclusive enclave right in the heart of the city.
